# NATALIEJANE

---

Natalie's infectious energy behind the decks and her ability to connect with the crowd is what truly sets her apart from the rest. She creates a powerful, progressive atmosphere that can lift and liberate people.

Her most recent work includes a collaboration for Deeper Sounds Radio, performing in London alongside Black Coffee, Angelos, Rampa and & Me, and Spin Sum's second London event with Monkey Safari. This, alongside her large stadium events with the Secret Brunch means she has gained incredible momentum over the last years. In addition having played in Tulum, Istanbul, New York, Berlin, Buenos Aires and even Panama, means that Natalie has truly announced herself as a global DJ.

Peak time or after hours, Natalie's versatility as a selector is laced with melodic and tribal grooves that energise her audience. With the wind in her sails, her trajectory is only going in one direction...
