# BELKINA

---

Nastya Belkina is an upcoming Ukrainian DJ/producer. In 2015, she became a resident at Ibiza Beach Club (Odessa, UA) and played alongside some of the world's biggest DJ's such as Black Coffee, David Guetta, Solomun, Arbat and CamelPhat. Many of Odessa's other clubs were home to Belkina, such as Fancy Room, Caléton, Bono, Central Bar and 12Monkeys.

After meeting award-winning producer and label owner, Phonique in Berlin, the two began producing music together, kicking off with 'Bunny Tone' in 2017. The year after, Belkina remixed 'Paint Me Blue' on Oh! Records and the two struck gold again in 2020, with 'Moon Moods' on Bar25-119, which was released on vinyl.

Now based in the UK and playing on the circuit of underground parties in London, New York and Berlin, Belkina is recognised as a serious talent with an enchanting sound. Having launched her own party, Aestetika last year, the former Vogue model continues to excel at whatever she turns her hand to. Now with so much focus on making music at the studio, things are looking exciting for this stand out talent.
